

2008 Region 10 Director's Award

Each year, the Region 10 Director has the awesome task of selecting one person to receive the Director's award for that year. Since there are always several deserving people to choose from, to be thanked in that way is truly an honor.

At the January 2009 Region 10 Board meeting, outgoing director Dean Meier presented the 2008 Director's award to Bev Cole of the Wisconsin Arabian Horse Association, noting her many years of service to Region 10 in several capacities. This is the second Region 10 Director's award Bev has received, having gotten her first from Immediate Past and Incoming director Van Jacobsen for creating and maintaining the Region 10 website.

Bev has served on the Region 10 Board for over 20 years, and has held many positions including Vice-Director and Director. She created numerous Region 10 Directories, worked on Region 10 conventions, helped initiate the Youth Roundup, served as Region 10 show treasurer, has worked in numerous capacities on the Region 10 Championship show, and was instrumental in planning and facilitating the Region 21 Convention (a cooperative venture between Region 10 and Region 11, held in Milwaukee).

Lori Conway's cell phone caught Bev and Dean as she received the award.
