Greetings from the Region 10 Show Committee,

We hope you will join us in St. Paul, MN the week of June 10th thru the 14th. We are focused on bringing you the best show possible! Our goal is to showcase your beautiful Arabian horses at the Region 10 show this year, to draw in more Halter competitors and to make this show BIGGER and BETTER!

The Region 10 Championship is the only show with FIVE Halter judges! This is the fairest judging system with the elimination of the high and low scores. Our Regional show is committed to you, the Exhibitor, Breeder and Trainer. For those horses that are NOT already qualified for Region 10, a full slate of Halter classes will be offered at the Pre-Show, which is being judged by Mike Miller. The Regional Judges are Liz Bentley, Brian Ferguson and Jim Hitt with Cindy Reich and Terry Holmes completing the Halter panel. For other qualifying shows in Region 10 this year, visit the Calendar page of the website at www.region10arabians.com.

Another bonus of showing at the Region 10 show is the addition of ADDED PRIZE MONEY in the following classes:

- Arabian Yearling Sweepstakes Filly
- Arabian Yearling Sweepstakes Colt
- Arabian 2 & over Mare
- Arabian 2 & over Stallion

We want to make this horse show an event to remember! To make this a reality, we are soliciting your financial support. There are three levels of participation, and 100% of the sponsorship money raised will be used for the Halter division this year!

THANK YOU, to these farms & people that have already pledged their support:
