

2011 Youth Nationals

Region X was well represented at this year's 2011 Youth Nationals with almost 50 youth participating. The theme for the show was "Under the Sea", and the Region X kids worked together to create an awesome entry for the Parade of Regions Golf Cart Parade held Sunday evening in Tingley Coliseum. Our slogan "The Youth are the Treasures of Our Breed" was suggested by walk/trot rider Joseph Stratsky. This slogan was printed on multi-colored t-shirts worn by all the youth. Many of the youth decorated their shirts with rhinestones and glitter to give them that extra horse show sparkle! The golf cart was then transformed into a fabulous treasure chest with a giant octopus on top. A special thanks to the Hesten Park moms for coordinating the decorating and providing all the supplies. Our Region was victorious, coming away with the Reserve Championship honors for the best golf cart entry. Thank you to all the youth and adults who participated in the fun, and we look forward to representing our region with pride and enthusiasm next year!
