

Hi Bev,

Thanks for all of your e-mails. I too love the Tevis picture. It truly is my favorite horse shot. It was quite an experience and something I am very proud of. I tried to open the pictures you sent me and I was unable to open them. I am going to save them and have our computer consultant help me to figure out how to do it. It is odd, because some photos that are sent to me are fine and others won't open.

Are you sitting down? Here is a little "director's message" that you can do with whatever you want.

Region 10 Director's message

Welcome to the Region 10 website. Please browse thru our website and review the opportunities for you to get involved with a local club, horse show, competitive and endurance rides and the arabian horse owners who share your love for this wonderful breed. A voting membership with any of the local clubs will provide you with membership in Region 10 as well as IAHA. For more information about club membership, contact the club officers listed on the website for the club nearest you.

I am proud to serve as your regional director and I invite anyone with questions or concerns about Region 10 or IAHA to contact me at [vpjacobsen@aol.com](mailto:vpjacobsen@aol.com). Welcome again and I hope you enjoy our web site.

Van Jacobsen

I did have a chance to read thru your Reigon 10 history and I think it is fine to include. It provides more history than I was aware of!!!!

Yes, the regional meeting is the weekend of 10/6-7. It was originally set for Sat the 6th but we cannot get the resturant meeting room on a sat so I plan on changing the date to Sunday. I understand why you can not be there. Congratulations.

If Donna or Dean can give a report on the web site that would be great. I anticipate we will have some mailings or something about the show date issue before then.
